**Re: Alaskans for Begich 2014
FEC Identification #C00458059**

Dear Ms. Mongeon:

This is in response to your letter dated March 4, 2015 concerning 30 Day Post-General Report (10/16/14-11/24/14) of Alaskans for Begich 2014 (the "Committee").

You have asked about 48-hour report notices. The contribution from Democracy for America was an in-kind contribution that the Committee was not notified about until after the close of the 48-hour reporting period. The contribution from Scott Bell was made by credit card on a Sunday evening after the 48-hour report for the day had been filed, so it was not captured on the report. The Committee takes its reporting obligations seriously and made every effort during the election to file accurately. Unfortunately, the timing of the Bell contribution and the notification of the Democracy for America contribution led to inadvertent errors.

We hope that this information adequately answers your question. If you have any additional questions, please feel free to contact the Committee.

Sincerely yours,

Connie Sanders
